Your "sensitive" issue request has been received in this office.

Your sensitive issue request has been reviewed. In order for your complaint to be treated as sensitive, the Director of Administrative Remedy Program must agree with you and accept it as a sensitive issue.

I do not find that this matter meets the criteria for sensitive treatment; therefore, I am returning my response to you for submission through the Administrative Remedy Program (ARP) as a non-sensitive ARP and is therefore denied as to sensitive issue.

You will have five (5) days after receipt of this response to submit your potential grievance through regular channels to ILAP staff. ILAP will log the request into Offender Trac and then forward it to the ARP department at your housing facility for consideration.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. Pennington", is written over a horizontal line.

R. Pennington, Director
Administrative Remedy Program
